## Guest Speaker: Kurt Fearnley OAM

Born without the lower portion of his spine, in the small western NSW town of Carcoar, Kurt Fearnley took up wheelchair racing when he was 14. In his highly competitive class, Kurt has not finished off the podium in over 20 marathons he's competed in since 2000. 2006 saw Kurt crowned as three time world champion culminating in being named as a finalist for the prestigious Laureus Awards for most outstanding international athlete with disability. In 2007, Fearnley won 10 International Marathons from 11 starts breaking 6 course records along the way. In addition, he won the wheelchair division of the 2006, 2007, 2008, and 2009 New York City Marathons. On 2009, Fearnley conducted a training climb of Sydney's Centrepoint Tower's 1,504 fire stairs in 20 minutes, taking them two at a time. In November 2009, Kurt crawled the Kokoda Trail accompanied by family in support of Movember and Beyond Blue. He successfully completed the 96 kilometre journey in 11 days
