

Thank you

This information is provided so that you may have a better understanding of the richness of the Bursary Program at Riverview – a program that supports families now and enables their sons to make a significant difference in the future.

Through your support of this Bursary Program – no matter how large or small – you can help many families who otherwise would not be able to experience a Riverview education.

SAINT IGNATIUS' COLLEGE, RIVERVIEW, is a Catholic day and boarding school run by the Society of Jesus. As such, it is grounded in and informed by the values inherent in Ignatian education.

Our Mission is to provide an all-round education for boys that inspires them to a life-long development of their faith. This means they will seek understanding, strive for justice and commit to the service of others with discernment, conscience and courage.

Educating Young Men – It's what we should do!

The education of young men – no matter who they are or what they can afford - has been at the core of the Jesuit mission for centuries across the globe. So, providing assistance to families for the education of their sons is, to the Jesuits, central to their mission.

The Riverview Bursary Program is one way of providing assistance to those families who otherwise would not be able to afford a Riverview education.
